

Seventh Grade Registration Form

2023-2024 School Year

Osseo Middle School

Welcome to the 2023-2024 course registration process at Osseo Middle School! We look forward to helping your student register for their 2023-2024 school year. Registration is very important as we hire teachers based on elective choices made by students and families during the registration process.

Starting with the 2023-2024 school year, 7th grade students will be required to take a Physical Education course and two Fine Arts courses in addition to their English/Language Arts, Math (Pre-Algebra, Linear Algebra, or Algebra I), Life Science, U.S. Studies, Health, and Advisory courses. If you have questions about our courses and/or why we have these new requirements, please view the Middle School Registration Guide on your student's Chromebook or on our website at <https://oms.district279.org/>. Please know that if your student was planning to register for a World Language course in 7th grade, the new requirements no longer allow a 7th grade student to take a World Language course for high school credit. Instead, we are offering an Introduction to Spanish class for 7th grade students, or your student can register for a World Language course (for high school credit) in 8th grade or in high school.

Please review and choose ONE of the four registration options on the back of this form. Your student will be turning in their 2023-2024 registration form to their advisory teacher on Thursday, January 26th. Students and families should review registration information, complete the registration form (including parent/guardian signature), and bring the completed form to school on registration day.

Below are some examples of 7th grade student schedules. If you have any questions, please contact:

Meghan Brawford & Jenna Johnson, School Counselors
Brian Chance, Principal & Jenny Tollefson, Assistant Principal

7 TH GRADE STUDENT SCHEDULE (EXAMPLE #1): 2023-2024 SCHOOL YEAR
